FIND IT AT THE HABITAT RESTORE.

Whether you're looking for a good deal, a convenient place to donate or a fun place to volunteer, we think you'll find it here. Stop by soon!

This Habitat for Humanity ReStore is proudly owned and operated by Habitat for Humanity of the Chesapeake and serves our work of building homes, communities & hope.

## What makes ReStore amazing?

Habitat ReStore accepts donations of new and gently used items that we sell to bargain shoppers & home renovators alike, raising money to support our vision of a world where everyone has a decent place to live. The ReStore provides an affordable avenue for home improvement projects while keeping tons of perfectly good items from ending up in the landfill.

### SHOP

With our constantly changing inventory, prices well below retail, frequent markdowns and one-of-a-kind items, you're sure to find something you just can't live without. Make sure to stop by often. If you miss a day, you just might miss a deal!

Our courteous, professional staff helps make donating as easy and convenient as possible.

### DONATE

Are you or your company remodeling, cleaning out, downsizing or just getting organized? Consider donating your excess household goods and building materials to the Habitat ReStore. We offer free pick-up services for larger items! You'll get the satisfaction of knowing your donations helped support local families — and didn't end up in the landfill. And all of your donations are tax-deductible.

### VOLUNTEER

The Habitat ReStore depends on enthusiastic volunteers for everything from helping customers to unloading trucks to arranging merchandise. Whether you enjoy interacting with the public or prefer working behind the scenes, chances are that we have a volunteer opportunity for you. Habitat for Humanity volunteers --both on construction sites and in ReStores --have helped more than 9.8 million people realize the dream of owning a decent, affordable home.
