

**Habitat
for Humanity®
of the Chesapeake**

**Friends
& Family**

Take team building to a whole new level! Habitat for Humanity of the Chesapeake Build Days are the perfect engagement opportunity with 30+ years of experience building stronger teams, while providing individuals with a unique way to give back to their community. Habitat Chesapeake Build Days can engage volunteers and encourage stronger relationships, all while learning new skills.

Friends & Family Build

April 27, 2019

Habitat for Humanity of the Chesapeake is hosting its quarterly Friends & family Build! While the majority of Habitat Chesapeake's volunteer events are sponsored by corporations, we often hear that corporate volunteers would love to come back and bring a friend or family member to experience the joy of working with Habitat. The Friends & Family Build is just that - and you're invited! It's just that simple! We will provide all the tools, building materials, training, and lunch for your Build; no construction experience is needed.

Habitat for Humanity was founded in 1976 to build homes in partnership with families in need. Today, there are more than 1,300 Habitat affiliates across the globe, each striving to meet the unique needs of the community it serves. In Central Maryland, Habitat Chesapeake has built 750 homes, helping 2,500+ children and family members find safety, stability and a brighter future. In 2017 alone, we worked with 19 families, building 30 homes in 6 communities.
