for Humanity®  
of the Chesapeake

**Veterans Day**  
**BUILD**

Honoring All Who Served

**Take team building to a whole new level!** Habitat for Humanity of the Chesapeake Build Days are the perfect employee engagement opportunity with 30+ years of experience building stronger teams, while providing employees with a unique way to give back to their community. Corporate Build Days can engage employees and encourage stronger relationships, all while learning new skills.

## Veterans Day Build

November 7-8, 2019

**Habitat Chesapeake is joining forces with local organizations for a day of service and gratitude.** Join us for our annual Veterans Day Build, where we will build homes in recognition of service members and support of our vision to build affordable homes for families in need. No construction experience needed! We will provide all the tools, building materials, training, and lunch for your Build; no construction experience is needed.

---

Habitat for Humanity was founded in 1976 to build homes in partnership with families in need. Today, there are more than 1,300 Habitat affiliates across the globe, each striving to meet the unique needs of the community it serves. In Central Maryland, Habitat Chesapeake has built 750 homes, helping 2,500+ children and family members find safety, stability and a brighter future. In 2017 alone, we worked with 19 families, building 30 homes in 6 communities.
