

Women Build Week

May 7 & 8, 2020

Women Build!

Habitat for Humanity of the Chesapeake's Women Build volunteers come together from all walks of life to build stronger, safer communities. Women and children make up the majority of people populating Habitat neighborhoods, as they are the most likely to be affected by poor living conditions. Women Build Week provides the opportunity for women to take a proactive step in serving their community right here in Central Maryland.

Are you ready to build with us?

Habitat Chesapeake's Women Build crews have included women of all ages from their teens to well into retirement years. Volunteers will work alongside our experienced construction crew and no previous construction experience is required. The atmosphere is collaborative and friendly. Lunch is included!

About Habitat Chesapeake

Over the past 37 years, Habitat for Humanity of the Chesapeake has built or renovated 760+ homes throughout Central Maryland, providing 2,700+ children and families with safety, stability and a brighter future.
