HABICORPS WORKFORCE DEVELOPMENT PROGRAM

HabiCorps provides 10.5 months of meaningful, hands-on training focused on construction trades and landscape/property maintenance. Trainees serve the community while building Habitat for Humanity homes for families in need. All HabiCorps trainees receive a living allowance, health care and child care benefits, along with student loan forbearance if eligible. Following successful completion of the program trainees will receive job placement assistance and an education award that can be applied to student loans or further education and training.

ABOUT HABITAT FOR HUMANITY OF THE CHESAPEAKE

Habitat for Humanity was founded in 1976 to build homes in partnership with families in need. Today, there are more than 1,300 Habitat affiliates across the globe, each striving to meet the unique needs of the community it serves. In Central Maryland, Habitat Chesapeake has built 770+ homes, helping 2,750+ children and family members find safety, stability and a brighter future. In 2020 alone, we worked with 20 families, building 25 homes in 6 communities.

ABOUT THE PROGRAM

HabiCorps trainees work in small teams led by skilled instructors. Projects vary from new construction and complete gut rehabilitation to landscaping and property maintenance. As a result, HabiCorps team members gain a wide range of hands on experience in addition to the focus on attendance, punctuality, leadership, teamwork, and job readiness.

It doesn't get any better. It's building a home for a family from the ground up and giving me a career. I'm getting paid to learn. It's awesome.

*-Lamont,
HabiCorps Trainee*
