Are you a young changemaker looking to connect with others, grow in your career and make a real difference in your community?

Habitat Young Professionals wants you!

**SERVE** at quarterly homebuilding days and in Habitat ReStores, processing donations of furniture and building supplies that raise funds to build more homes.

**PLAY** at monthly social events, including meetings, bus tours and happy hours, and build relationships with other young professionals in the community!

**GIVE** an annual donation of \$50 or more and leverage additional funds by attending fundraisers, and promoting HYP to friends, colleagues and employers.
