

AmeriCorps

Habicorps Workforce Development Program

Launch your career in the trades!

HabiCorps provides meaningful, hands-on training focused on construction trades and landscape/property maintenance. Trainees serve the community while building Habitat for Humanity homes for families in need. All HabiCorps trainees receive a living allowance and may be eligible for health care and child care benefits along with student loan forbearance. Following successful completion of the program, trainees will receive job placement assistance and an education award that can be applied to student loans or further education and training.

About Habitat for humanity of the chesapeake

Habitat for Humanity was founded in 1976 to build homes in partnership with families in need. Today, there are more than 1,300 Habitat affiliates across the globe, each striving to meet the unique needs of the community it serves. In Central Maryland, Habitat Chesapeake has built 770+ homes, helping 2,750+ children and family members find safety, stability and a brighter future. In 2020 alone, we worked with 20 families, building 25 homes in 6 communities.

About the Program

HabiCorps trainees work in small teams led by skilled instructors. Projects vary from new construction and complete gut rehabilitation to landscaping and property maintenance. **Trainees serve 1700 hours, full-time (Monday through Friday) from September to August, earning a \$20,230 living allowance over the course of the program.**
